### CAREER OBJECTIVE

Dynamic professional equipped with a Postgraduate Diploma in Logistics and Shipping Management and a successful tenure as a Junior Executive in Marketing and Operations. Proven ability in managing HR processes, optimizing logistics operations, and ensuring meticulous import-export documentation. Skilled in conducting pricing analyses, negotiating favorable freight rates, and delivering outstanding customer service. Played a pivotal role in marketing initiatives and significantly contributed to the promotion of Less-than-Container Load (LCL) services. Eager to apply my comprehensive skill set, including proficiency in MS Office and international certifications, to a challenging role that allows me to further enhance operational efficiency and contribute to the growth of a forward-thinking organization.

### WORK EXPERIENCE

**Junior Executive in Marketing and Operations** (May-Nov 2023)  
Frontline Logistics (Freight Connect Solution), Kerala, India

- **Order Routing & Logistics Optimization:**
  - Handled order routing, implementing strategies to optimize logistics for on-time deliveries.
- **Import-Export Documentation:**
  - Prepared meticulous import-export container documents, ensuring adherence to regulations.
- **Pricing & Negotiation:**
  - Conducted thorough pricing analyses, negotiating favorable freight rates with clients and vendors.
- **Customer Service Excellence:**
  - Provided exceptional customer service, promptly addressing inquiries and feedback.
- **Delivery Orders Processing:**
  - Led the processing of delivery orders, ensuring accuracy and coordination with warehouse teams.
- **Marketing Contribution:**
  - Collaborated in marketing efforts, including tele marketing and agency marketing.
- **LCL Services Promotion:**
  - Played a pivotal role in promoting and marketing Less-than-Container Load (LCL) services.
