

# JAGAN C.K.R

MBA(Port & Shipping Management) & MICS

I am a talented, ambitious and **hardworking** individual, with broad skills and **experience** in vessel chartering operations and cargo profitable business, ship transportation for certain voyage freight and technical projects of cargo leading in **Chartering Vessel operations**. The coming time is sure to be the spring season so I will be an **example of success** in it rather than **do or die not do and die**.
