- Hindi
- Malayalam

Skills

- Cargo loading and unloading operations
- Stakeholder engagement
- Risk assessment and mitigation

Education

2015 | AIU University
BSc in Nautical Science (75%)

2011 | SIMS, Lonavla (Indian Maritime University)
Diploma in Nautical Science (75%)

Certifications

Maritime Shipping Law and Contracts of Carriage, Udemy, Dec 2023

Introduction to Ocean Logistics and Ship Chartering Practice, Udemy, Dec 2023

Chartering and Managing Oil and Gas Tankers, Udemy, Dec 2023

Professional experience

Navigational Expertise

- Demonstrated proficiency in navigation and ship operations across various vessel types, including chemical tankers, crude oil tankers, and bulk carriers
- Applied strong maritime knowledge to ensure safe passage, adherence to regulations, and efficient handling of diverse cargoes

Safety and Compliance

- Implemented and upheld stringent safety protocols, contributing to accident-free sailing periods
- Ensured compliance with international maritime regulations and company policies, fostering a culture of safety awareness and emergency response preparedness

Team Leadership

- Led as 2nd Officer and 3rd Officer on various vessels, showcasing effective leadership and collaboration within a multinational crew
- Coordinated daily activities, fostering a cohesive team environment and ensuring smooth operations during critical situations

Communication and Documentation

- Maintained accurate and comprehensive ship logs, documenting navigational activities, safety procedures, and incidents
- Facilitated clear communication with onshore teams, providing timely updates on vessel status, weather conditions, and any operational challenges

Adaptability and Problem-Solving

- Successfully transitioned between different vessel types, demonstrating adaptability and versatility in handling various cargo and ship configurations
- Proactively identified and resolved operational challenges, showcasing problem-solving skills critical to maintaining smooth maritime operations
